

Stages of Surveillance

The diagram illustrates the eight stages of surveillance in a circular format. The stages are numbered 1 through 8, with stage 2, 'Event', highlighted in orange. The other stages are in grey. The stages are: 1. Objectives, 2. Event, 3. Collection, 4. Classification, 5. Data, 6. Analysis, 7. Communication, and 8. Action.

Stage	Description
1	Objectives
2	Event
3	Collection
4	Classification
5	Data
6	Analysis
7	Communication
8	Action
